

Begin Bidding on Arsenal Buildings

Sealed bids in triplicate will be received until 11 a. m. July '29 at the Joliet Arsenal on two buildings offered in the seventh sale of unused equipment and structures, it was announced yesterday by the post engineer.

The property offered this time is the former Stone and Webster construction office, with 30,000 square feet of partitioned space in the one story wooden structure. Also available is a sheet meter boiler house, of frame structure with concrete floor and 33 by 50 feet in size.
